THIS IS MOTHERHOOD

Mops is about ...

- Celebrating motherhood
- Meeting needs
- Making connections
- Experiencing God's love through relationships and resources

MOPS International is a faith-based moms group designed to reach out to every mom: urban, suburban or rural moms; stay-at-home or working moms; teen, single or married moms. In other words, MOPS is for moms from all walks of life.

MOPS recognizes that the years from infancy through kindergarten are foundational in the mother/child relationship and are filled with unique needs.

MOPS helps moms by establishing relationships in local groups that provide a caring atmosphere for today's mother.

MOPS meetings are a time just for moms to relax, form friendships and gain advice and perspective from other moms.

MOPS KIDS

MOPS Kids is our childcare program for children ages six weeks through kindergarten during our monthly meetings. Our loving and experienced caregivers will keep your little one safe and entertained while you enjoy the meeting. The children are divided by age and taught about God's love through planned activities such as stories, crafts, music and play. Nursing infants may remain with their mothers.
